

**Hello everyone!!!
My name is Mitzi and I am your emcee for the Purim slideshow for 2013.
So, let the fun begin!!!!**

**Well, what are you waiting for? Go through the gate and up to the door. ●
Don't you want to have some Purim fun?**

Ok, you made it to the door. Now, just ring the buzzer on the side of the door and go inside to have some fun.

**Now that you are inside you are probably wondering what you do next. Do ●
you see that nice lady at the desk in the middle of the room? That is Esther.
Just go up and ask her any questions you may have and make a nice
comment on her cool glasses. Go on now.**

Hello, my name is Esther. How can I help you? First of all what do you think of my glasses? Yes, I can see you very clearly. Don't be afraid to ask me questions. You have my full attention.

Hello everyone, my name is Alfred and I am here to answer any questions you may have about Hanni's table. First of all, what do you think of my glasses and crown? She had to step away for awhile and left me in charge of her table and answer any questions you may have. I know all about the products and the prices. So, ask away.

Here we have Hannah demonstrating a cool witch hat. She liked it so much she bought two of them from me. She is also introducing my table to you.

Look at these three lovely ladies. Well, ladies since you are now in the Purim spirit would you like to do a song or dance or something for us? We need entertainment.

Doesn't Harriett look adorable in that hat. She is eyeing the clown. Maybe she wants to do a duet with him. Why don't we ask her.

I think they like each other, but, Alfred cannot go anywhere. He is my model and is right now introducing the people in the slideshow. Micha'el you will have to come back another time to see if he is available to go with you.

Doesn't Dr. Hackett look adorable in that hat? I think he should wear it everywhere he goes.

And here is Harry. Did you know that is him underneath the helmet?

And here we have Sylvia. Her outfit matches the hat on her head.

Here we have Aviad. He is a natural in that hat. Maybe he should wear it around town to see what kind of reactions he will get.

Doesn't Sandy look adorable also in the hat? So, Sandy, what is that you are holding in your hand? Can you tell us what it does?

Here, we have someone new. The glasses look really good with the pitch fork. I wouldn't want to get too close to find out how sharp it is. She is doing a very nice thing. She is going on a trip to entertain the soldiers and also give them misloach manot.

Now, we have a youngster among us. Isn't he scary? I wouldn't want to run into him in a dark alley. He is also on the trip to go entertain the soldiers and give them misloach manot.

Hello everyone. I guess I got here in time to finish up the show for all of you. I was watching from the sidelines and saw the whole show. I would like to thank Mitzi and Alfred for putting on a good show. I would also like to thank all of you that participated in the show. Now, it is time to close and I just want to wish you all a Purim Sameach.
